## TRADITIONAL AMERICAN MANUFACTURING

*C*utting Edge Industries is a diverse American manufacturing firm, specializing in a number of different core industries, with portable lighting being a primary focus. A true American manufacturer located in Linden, NJ, our full line of products are entirely made in the USA by our staff of talented craftspeople, using only the finest materials. Each and every product in our catalog is available in hundreds of metal finishes and fabric options, allowing for full customization of all of our products.

### CUSTOM CAPABILITIES

In addition to the products displayed throughout this catalog, we have an extensive library of over 10,000 stock molds, which enables us to make a tremendous variety of products, quickly and affordably.

Our manufacturing capabilities include metal casting, polishing, painting and finishing, welding, milling and machining, wire bending, shade and fixture fabrication, UL wiring, model and mold making, laser engraving, pad printing, computer drafting and design, as well as many others. In addition to our mold library and custom mold making abilities, we work with hundreds of different fabrics and finish combinations, allowing our customers to have complete design control over their projects.

From start to finish, our staff designs, manufactures, assembles, and finishes all of our products from the highest quality materials available, right here in the USA, both quickly and affordably.

Just send us your specs for an immediate quote!
